

## Series ST1

### Staggered Strip One Lamp

### FEATURES & SPECIFICATIONS

#### INTENDED USE

Specification grade, single lamp (and TANDEM single lamp) strip for interior coves, valances, and displays requiring lighting without dark areas at lamp ends.

#### SIZE W x L x H in inches (mm)

4.25W x 2.00H (110 x 50)

Fixture length defined in ordering table.

#### LAMP

1 lamp position.

#### MATERIALS & FEATURES

Housing is die-formed and embossed code 22 gage steel. Finish is high reflectance baked white enamel. Wiring knockouts are provided on back and end of housing. Ballast covers attach without tools to simplify ballast access.

See ST2 Series for similar fixtures with dual lamp cross section.

- Single unit length and tandem fixtures available in most lamp styles.
- Available with T8 or T12 lamp styles.
- Offset provides continuous row lighting.
