SABD Series

Square Acoustic Box Drum LED

Invigorate your space with an SABD Series fixture that perfectly fuses high performance LED lighting and superior quality acoustic materials. The simple design of the SABD Series creates a bold definition that adds an aura of class and style to any space. The contemporary fashion of the Square Acoustic Box Drum is complimented by optimized efficiency and a range of customization. Choose from over thirty colors of acoustic material to personalize each fixture in your space. The SABD Series works well in lobbies, offices, and other high traffic areas, and can be pendant mounted from most ceiling types using aircraft cables.

CONSTRUCTION

Acoustic material is 100% PET containing at least 55% recycled content. Class B fire rating and moisture resistant.
