Series VPY

LED Canopy Light

The Series VPY canopy light has a slim and low profile design which provides a safe and visually appealing lighting experience. Via a smart controller, this canopy allows multiple wattages and color temperatures to choose from based on the requirements of different environments. It is the perfect upgrade from a 100W metal halide lamp with the added benefit of low maintenance cost.

CONSTRUCTION

Solid construction die-cast aluminum body. UV stabilized powder coated finish. High impact PC diffuser.

MOUNTING

Luminaire can be surface-mounted directly or with 3/4" pendant mounting option. Quick mount structure allows for contractors to work safely and easily in confined space areas.
