LED UTILITY WALL PACK

LED wall pack provides bright, safe light for building facades, parking lots, recreational areas, garages, walking paths, building entrances, and more. The light emits 800-1500 lumens. Its white powder coated aluminum enclosure resists corrosion, dust, insects, and weather. This light has Waterproof enclosure rating and comes with a 5-year warranty. Maximize your energy savings with these all-weather fixtures.

CONSTRUCTION

White powder coated aluminum housing with frosted acrylic lens.
Wall or ceiling mount.

TYPICAL OPTIONS & ACCESSORIES

Fixture available in white. Frosted acrylic diffuser. Consult factory for different finish and lens options.
