

JOB NAME:	CAT#:	TYPE:

APPLICATIONS

The THL Series creates a new opportunity to transform your space with cost efficient LED highbay fixtures. THL Series fixtures are ideally suited for warehouses, manufacturing plants, sports facilities and retail spaces. A precision-formed reflector is combined with high output LED strips to provide maximum light output for ceilings from 15 feet to 40 feet. This arrangement is ideal for wide area lighting to put the light exactly where you need it with less fixtures.

Air vents surround the drivers in the back of the fixture to maximize LED and driver performance, reliability and life. High reflective enhanced white reflectors are computer designed to maximize photometric performance and put the light where you need it. Access plate in the back makes wiring fast and hassle-free.

FEATURES & BENEFITS

- · Pendant or chain mount for high ceilings
- Many lumen package / wattage options via programmable drivers
- Multiple Kelvin temperature options (3000K, 3500K, 4000K, 5000K)
- · Emergency battery backup options available
- · CRI >80
- · >50,000 hrs of L70 LED life
- · Rated for dry and damp locations
- 0-10 Volt dimmable 120-277VAC (347-480VAC dimming avail)
- Power factor > 0.90
- 5 year warranty

Dimensions and specifications subject to change without notice.
